

Vacation Camps at The Schoolhouse Winter/Spring 2012

Wondering what your child will do during the February or April vacations this year? Looking for a structured, playful environment for your child?

At Schoolhouse, children find an abundance of outdoor room to play, a gym for indoor sports, cozy nooks for reading and lots of space to connect with friends – old and new. Our highly experienced staff provide a safe and nurturing environment where children feel the freedom to be themselves, are challenged to try new things and usually don't want the day to end! We are conveniently located off outer Dorset Street in South Burlington.
