

# The Schoolhouse Vacation Camp 2012 Scholarship Application

Child's Name:

---

---

Tuition for The Schoolhouse Vacation Camp is \$230 per child, per week. Financial aid is available to families who apply and need assistance. Vacation Camp is based on the philosophies of The Schoolhouse, which include a commitment to maintaining and honoring diversity. Financial aid is one way in which we hope to maintain socio-economic diversity.

If your family receives childcare subsidy, please contact the summer camp administrator to discuss this option – Schoolhouse does accept subsidy, and arrangements should be made. Because of outdated childcare subsidy rates, many families who need financial assistance do not qualify for subsidy. Therefore, we hope to support families who need it to attend The Schoolhouse Vacation Camp by providing this scholarship option.

All scholarship and financial information is kept strictly confidential.

Please describe why your family needs scholarship and what you hope your child will gain from the Schoolhouse Vacation Camp experience.
