The Schoolhouse  
8 Catkins Drive  
South Burlington, VT 05403  
Attn. Ms. Liz Shayne / Alpha Class

Dear Ms. Shayne:

On behalf of the Town of Rockingham's citizens and the Board of Selectmen, I wish to express our great gratitude to the students of The Alpha Class of The Schoolhouse for their hard work and generosity

Their generous donation of over Fifty-Six dollars to the efforts to rebuild the Lower Bartonville Covered Bridge touched our hearts. It is wonderful to know that these students care about the beautiful covered bridges in the State of Vermont as much as we do.

Please pass along to the Alpha class our thanks and our wishes for a happy new year to each and every one of them. I intend to announce to the Board of Selectmen about their donation and to make sure that the entire community knows about their efforts.

We hope that the new bridge will be rebuilt and completed sometime in the Fall of 2012. Please let me extend an invitation to the Alpha Class to come down for the opening celebration and to see for themselves what they will have helped to accomplish.

Please feel free to contact me at anytime if we can be of assistance to you or the school.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tim Cullenen', with a long, sweeping underline.

Tim Cullenen  
Municipal Manager  
Town of Rockingham / Village of Bellows Falls
